PROPOSED AMALGAMATION

You might be aware that the governing bodies of the infant and the junior schools have been working together for the last few months to consider the best way forward for the schools in light of the retirement of Mrs Eades. In July, we wrote to you to confirm that the governing bodies, together with the County Council, have agreed to consult with you and the local community about the possibility of “amalgamating” the schools to form a new primary school. We now enclose a consultation document which explains more about the reasons for the amalgamation and sets out the processes that we will need to go through.

Full details of the proposal are contained within a consultation document that can be viewed on the school websites from 15 September.

Public drop in sessions will take place on 5 October 2022, at 2:30pm in the infant school hall and 6pm in the junior school hall, where you are welcome to come and talk to representatives from Sunnymede Infant School, Sunnymede Junior School and Essex County Council about the proposal.

Any person may make comments on the proposal. Details on how to do this are contained in the attached consultation proposal document.

The consultation process will run from 15 September 2022, until 5pm on 27 October 2022

Yours sincerely,

Mrs Ronnie Branch
Headteacher
