Dear Parents/ Carers,

### RE: PROPOSED AMALGAMATION OF SUNNYMEDE INFANT AND JUNIOR SCHOOLS

You will be aware from communication earlier in the year that the governing bodies of the infant and the junior schools have been working together for the last few months to consider the best way forward for the schools.

After much consideration, the governing bodies and the County Council have agreed to consult with you and the local community about the possibility of “amalgamating” the schools to form a new primary school.

A consultation document is currently being prepared, which will explain more about the reasons for the amalgamation and set out the processes that we will need to go through. This will be publicly available in September, when the formal consultation process will begin. This process will include the opportunity for you to attend drop-in sessions to come and talk to representatives from the school and Essex County Council. We will write to you again with further details in September.

We wish you a wonderful summer and look forward to seeing you all in September.

Yours sincerely,

*Gill Marrion*
