

# Winger Sports Academy

Winger Sports Academy are pleased to announce they will be running their **Before School Basketball Club** for all children of **Year 3, 4, 5 and 6** at **Sunnymede Junior School**

**Basketball** is a fast growing team sport and one of the most popular sports in schools because it gives an overall workout while at the same time combating obesity. Running with the ball gives good cardio exercise and improves leg and arm strength through jumping and throwing the ball. Passing or catching the ball improves hand-eye co-ordination. It is a sport that is controlled in a safe and fun manner. It is exciting times to be able to coach such a fun and energetic sport.

Some of the key adaptations and protective measures we are implementing for these clubs are listed below.

- Places available will be limited to ensure we can provide a safe and fun environment.
- No jewellery (i.e earrings) or watches to be worn.
- If a child develops covid symptoms they will be isolated and parent called immediately.

All Winger Sports Academy coaches are fully qualified, have Disclosure and Barring Service certificates, first aid training and experience in all sports.

## **Before School Basketball Club**
