Street Cheer is a creative, fun and energetic class which incorporates dance and cheerleading. Along with learning dance routines to the songs they love, children will also have the chance to learn new skills such as basic stunting, cheerleading moves, chants, games and street dance.

These classes will encourage children to work as a team and build their confidence. Wherever possible we look for opportunities for the children to perform the routines they have been learning to both their families and the school.

Children must bring either their P.E kit or comfortable clothing for the classes along with a bottle of water.
