

FOREST SCHOOL CLUB **Sunnymede Junior School**

What is Forest School?

Forest School embraces learning in a natural environment. It focusses on meeting children's individual needs and developing their interests through play and exploration whilst outdoors.

Forest School promotes a healthy relationship with risk-taking, problem-solving and self-discovery.

Who runs the sessions?

The sessions are led by a qualified Forest School leader with the support of an experienced assistant - all staff hold enhanced DBS checks and are fully insured.

What sort of activities will there be?

Children will have the opportunity to engage in a range of activities and games that will be carefully planned based on their interests, needs and abilities. The activities may include bug hunting, mud play, tool use, team games, shelter and den building, natural arts and crafts, scavenger hunts, campfires and marshmallow toasting.

We allow a significant amount of time for child-led play.

Where and when do the sessions take place?

The sessions run for an hour after school on a Monday in the wooded area on the school field.

9 sessions - Monday 17th April to Monday 10th July
(Inset Day = Monday 5th June, Bank Holidays = Monday 1st and 8th May)

What should children wear?

Children should wear clothing suitable for the weather and for physical activity – sensible footwear is essential. It is highly likely that children will get muddy so we do not advise children wear expensive items of clothing. We strongly suggest always including a raincoat for your child to wear – the British weather is infamous for catching us off guard!

What if it rains?

The club will continue to run even in adverse weather and we will plan activities that make the most of the conditions. The only time we would cancel a session would be if the weather were dangerous (e.g. extremely high winds) – in this situation we would notify you as quickly as possible.

How much does the club cost and how do I book a place for my child?

The cost is £6.50 per session and payment is made per term.

There are 15 spaces available and they will be allocated on a first come, first served basis.
