Dear Parents and Carers,

### SUMMER TERM 2023 – EXTRA-CURRICULUAR CLUBS (EXTERNALLY RUN)

We have a number of clubs running in the summer term. A summary of all clubs – internal and external - can be found [on a table on the club page of our school website](#). An email was sent earlier in the week about internally run clubs, where parents could express interest in applying for any places available. Where a space has become available for the internal clubs, parents have been advised by phone or email if they have been allocated a place.

**This letter contains details about externally run clubs that are now available for booking for the summer term.**

There are eight '**external**' clubs that are taking place in the spring term. These are run by third party providers and there is a charge for these clubs. One of these clubs is new: Kwik cricket on a Monday morning before school. Bookings and payments for all external clubs must be made directly with the company/provider. A summary of the clubs can be found in the table below and there is also a direct link to booking information for each club on our school website (see link above).
