SCHOOL PROGRESS SCORE (Essex figure in brackets)	Reading	Writing	Maths
N.B: Only 45 pupils are included in the progress score as 7 pupils had no KS1 data	2.21 (-0.22)	-0.48 (0.41)	-0.07 (-0.04)

## Summary

- Our scaled score is higher in all subjects than both national and Essex averages
- Our % of pupils working at the 'expected' standard is higher in all subjects than the national and Essex averages, including combined attainment
- Our % of pupils achieving the 'higher' standard is higher than the national average in all subjects. The % is also higher than the Essex average except in writing where is similar.
- Our progress in reading was significantly above the Essex average (no National figure available to date)
- Our progress in writing and maths was in line with Essex average (no National figure available to date)
