

On Thursday 19th May, local children's author, Chrissie Sains, will be spending the day at our school, talking with the children about her experiences as an author, answering any questions they may have and running creative writing workshops.

As part of the visit, Chrissie will be selling and signing copies of her books:

- 'An Alien in the Jam Factory' and 'Treasure Under the Jam Factory' - the first two books in the jam-packed comedy adventure series starring Scooter the inventor and his top secret alien sidekick. Ages 6+.
- 'I Got This' - co-authored with Cara Mailey, who was featured on CBBC's documentary 'My Life, Made to Measure' and BBC One's, 'Keeping up with the Maileys'. A funny, big-hearted novel about loving yourself for being exactly who you are. The main character is inspired by Cara, who has achondroplasia (the most common form of dwarfism). Ages 9+.

If you would like to pre-order a signed copy of any of Chrissie's books, please complete the order form on ParentMail by Thursday 5th May (please note that we cannot guarantee that a book will be available on the day if orders are placed after this date). For ease, we will also be setting up the facility for you to pay for your books on ParentMail also.
