26th January 2022

Dear Parents,

RE: Multiplication Parent workshop - Year Four

As I am sure you are aware, in the summer term of Year four your children will be participating in the 2023 Multiplication Tables Check, as dictated by the Standards and Testing Agency (STA). This is a compulsory on-screen assessment to check your child's multiplication fact recall. The programme was rolled out across the country last year for the first time.

At Sunnymede, we are preparing the children in various ways for this check. As part of this preparation, we would like to invite Y4 parents to participate in a workshop on **WEDNESDAY 1st FEBRUARY** at 2:10pm with the Maths' Subject Lead, Miss Wilcox. Your child will also be in attendance for part of the workshop.

During this session, we will:

- explain why the check takes place.
- explain how it will be carried out.
- explain how we are preparing your children.
- explain strategies you could put into place at home to support your child.
- provide you with the opportunity to experience the check that your child will be completing.

Due to space and the resources required, places on the workshop will be limited. Therefore, **places will need to be booked in advance**. Please email admin@sunnymede-jun.essex.sch.uk to reserve your place, which will be allocated on a **first come first serve basis**. Please note that only one adult per child will be offered a place. If we have a significant amount of interest, we will repeat the workshop if needed later in February. If you email your request we will reply to let you know if a place has been allocated.

Please read the email carefully that accompanies this letter before booking.

We look forward to seeing you there. Please note that access will be via The Meadowway entrance only..

Kind regards,

Miss Wilcox
Maths Subject Leader
