

# Sunnymede PTA Raises **£9000** to benefit your school and children

**Thanks to the hard work of the PTA volunteers, support from staff in both the Infants and Junior schools and the generous donations from parents and carers, the PTA have raised £9000 across the 2018/19 school year.**

This money is donated directly to the schools to enrich your child's school experience over the 2019/2020 school year. The Infants school plan to use the money to develop the new school sensory room, a calming space for any child that might need it. The Junior School plan to use the money to purchase seating for the new rainbow area by the main reception. Both schools intend to use funds to also give children additional school experiences such as those listed below.

**During the 2018/2019 school year the PTA's fundraising gave your children the following opportunities and experiences:**

### **Infants School:**

- £420 enabled the children to watch a Pantomime in school
- £4495 bought a brand new sound system for the school hall
- £498 paid for The Junk Man, end of term event for every child which encouraged them to think about music, working together, recycling and reusing.

### **Junior School:**

- £650 gave Y3 an Art trip to the National Gallery in London and the Windmill Theatre Company team workshops
- £780 paid for the Y4 trip to Southend Pier and Museum
- £700 allowed Y5 to have an Art trip to First Site Gallery in Colchester
- £660 enabled Y6 to take part in a Portals from the Past World War 2 day and paid for Kingswood hoodies for their residential
- £350 paid for a post sports day ice cream for all children

**Parents and friends of Sunnymede Infant & Junior School,  
thank you for your continued support of your PTA!**
