

SPORTS PREMIUM FUNDING REPORT 2014-15

SUNNYMEDE JUNIOR SCHOOL

At Sunnymede Junior School we believe that a structured, high quality and enjoyable P.E. curriculum is a key element of children's development and well-being. We aim to develop each child's confidence and skills in a range of activities, enabling them to lead healthy lifestyles and ensure that our teachers are well trained and confident to teach key skills. Our inclusive curriculum offers all our children opportunities to compete both against themselves and others, in order to build self- confidence, resilience and a sense of fair-play.

We have a broad and balanced P.E curriculum, including a range of indoor and activities, including swimming and yoga. We participate in a range of local sports festivals and friendly and competitive sporting events. In addition to this, we are proud of the range of out of hours sports clubs children have access to:

- Dance
- Tag Rugby
- Basketball
- Football
- Netball
- Multi-skills
- Karate
- Tennis

The P.E. and Sport Premium funding has been allocated to support schools improve the quality of the P.E and sport activities offered. At Sunnymede Junior School we have been allocated **£8,694** Sports Premium (SP) funding by the Government to further improve our P.E provision for the period 2014-15

We used our Sport Premium funding to enhance our provision in the following ways:

SPORT PREMIUM

Proposed Spend for 14-15

Allocation = £8,694

Sainsbury School Bronze Mark award achieved Autumn 2014. The Sainsbury's School Games Mark is owned and created by the Department of Culture, Media and Sport and is implemented and developed by the Youth Sport Trust and Sport England. The Mark rewards schools for their commitment to and the development of competition, school sport and physical education. A number of criteria have to be met and evidenced in order to achieve the award.

Objective	Resources	Cost	Impact
Provide a range of opportunities to ensure pupils participate in sporting competition and friendly tournament / sporting activities	Buy into SSCO sports partnership	£1,260.80	-School participated in a wider range of out of school sporting activities (competitive and non-competitive) -Staff have attended a range of training and received in-school support organised by the SSCo partnership, enhancing provision within the school
	Allocate funding for staff to accompany on school trips and activities	£300	
	Basketball fees – Champions Academy	£75	
	Funding for transport to events	£515	
Improve the quality of gymnastics teaching, assessment and resources within the curriculum	-Fund release for P.E co-ordinator and teachers to observe and team teach gymnastic lessons with specialist gymnastics teacher - Purchase new gym equipment	£1,500 £ 796	-Quality of teaching gymnastics is consistently good across the school -Quality of pupils' movements in P.E. significantly improved -Quality of resources improved e.g. new mats, beams, springboards, wall bars repaired -Quality of activities improved as a result of improved resources and teachers; children are more creative 100% of teachers consider themselves to be more confident in both the handling and use of gym equipment and also the teaching of key skills as a result of CPD delivered. –New gymnastics scheme of work purchased and implemented (quality of planning improved)
Increase participation in P.E. for those pupils who are at risk of obesity and / need to develop social skills or confidence/not already engaged in a sport	Employ a specialist coach to run a multi-skills club for target pupils	£1,350	This club has been extremely successful and a large number of children who were not engaging in physical activity attend this club regularly. Observations of lessons and feedback from pupils indicate that pupils are enjoying the fast-paced and varied nature of these sessions and, compared to our other clubs Numbers participating is very high, with children regularly asking to join. A number of less confident children who would not attend clubs focussed on just one sport enjoy the less threatening nature of this club.

Increase physical activity during school lunch periods	Fund an additional play leader to engage pupils in physical activity / Training for play leaders and MDA staff	£2,100	The range of activities available to children at lunchtime is now more varied and children are now more physically active and engaged socially during the lunch break.
	Purchase new lunchtime play resources to encourage increased activity	£800
